4. The Commander of the Regional Forces in Interzone III, Ha Ke Tan,¹ is a member of the Lao Dong Party but is not a member of the Executive Committee of the Party nor of the Administrative and Resistance Committee. The importance of the Commander of the Regional Forces in Interzone III has diminished considerably since the expansion in strength and numbers of the divisions of the Regular Army. In administrative matters he takes orders from the Administrative and Resistance Committee and when operations take place he comes under the command of the officer in charge of the Regular Forces in the zone. In the Viet Bac, however, General Vu Tan still maintains his position as Commander of the Regional Forces and President of the Administrative and Resistance Committee.

25X1A

1. Comment. Ha Ke Tan is a member of the Administrative and Resistance Committee of Interzone III. It is possible that he has been excluded because the presence of General Van Hien Dung, Tinh and Nam on the Interzone Executive Committee of the Lao Dong Party is sufficient to safeguard purely military interests in Interzone III.
